COLLABORATIVE LEARNING TRUST

Learning and Growing Together, With Faith, Hope and Love

Micklefield CE Primary Academy
Spirituality Policy
2025-2027

Micklefield C of E Primary Academy is a Church of England School, with Christian Values at the heart of everything we do.

Our Christian Vision underpins all that we do:

LEARNING AND GROWING TOGETHER WITH FAITH, HOPE AND LOVE

With Faith, anything is possible

Believe in yourself

With Hope, all things are brighter

Believe in your future

With Love, we are never alone

Believe in others

Our vision at Micklefield CE Primary is rooted in the parable of the mustard seed:

The Kingdom of Heaven is like a grain of mustard seed, which man took, and sowed in his field; which indeed is smaller than all seeds. But when it is grown, it is greater than herbs, and becomes a tree, so that the birds in the air come and lodge in its branches. Matthew 13 V31-32.

Faith

We want our children to grow the faith that they have in themselves and develop their own core beliefs, underpinned by Christian values and teaching, to equip them as they leave our school and take their place in the world.

**Be strong and courageous. Do not be afraid or discouraged.
For the Lord your God is with you wherever you go. Joshua 1:9**

Hope

At Micklefield we have high hopes and aspirations for our future, our school and community. We also understand that faith gives us hope for both now and for the future, and that this hope brings confidence. Hope for us means that there is always a future whatever situation we are in, because God promised to never leave us, to always love us and to help us in times of need.

With God all things are possible. Matthew 19:26

Love

Love is a very important value to us as a school. Love underpins everything that we do. It is very much 'the why' of who we are. Love is evident in our relationships with each other and in our actions to support our families, our community and our world. We see it in our interactions at school and home, feel it when we are together, and experience it through how others act towards us. We can grow and learn together because we know that God loves us.

**Love is more important than anything else. It's what ties everything completely together.
Colossians 3:14**

Introduction

At our church school, all aspects of school life reflect our Christian vision and this policy is based upon that. We aim for all children to flourish and to live life in all its fullest. This includes their spiritual development.

What is it?

At Micklefield CE Primary Academy, we believe that it is very important to provide all children with a range of opportunities to help them develop spiritually. We believe that spiritual development may not be synonymous with Religious Education and Collective Worship and can be explored through many different curriculum areas.

As a school we focus on the idea of 4 concepts of spirituality: self, others, world and beauty and beyond. Our starting point is our pupils' own 'Big' questions about life and from this we plan a series of encounters (Windows) that open up the possibility of reflection (Mirrors). Finally, the children are given an opportunity to put into action what they believe and value. (Doors)

Why is it important?

Christians believe that God became human and therefore always strive to be the best human they can possibly be. As educators and in accordance with the Equalities Act 2010, we want to help every child to be the best that they can be and have a duty to support the children to achieve this; part of this responsibility is to help children develop spiritually.

At Micklefield CE Primary Academy, all aspects of school life reflect our Christian vision and all policies are based upon it.

What do we aim to achieve for the children?

- The children become increasingly aware of the concept of self- the inner person and the way that this shapes an individual's perception of themselves as a unique human being. The children reflect on the relationship they have with their sense of being a unique person.
- The children become increasingly aware of the concept of others – a growing empathy, concern & compassion of how to treat others. The children reflect on how their values & principles affect their relationships with others.
- The children become increasingly aware of the concept of a physical and creative world – a growing relationship with beauty through the ability to respond emotionally to experiences of the wonder of the natural world and the results of human creativity. The children explore their understanding beauty and the affect this has on their perception of and relationship with the world.

- The children become increasingly aware of the concept of the beyond – a growing relationship with the transcendental and the ability to explore experiences beyond the everyday. The children search for meaning in their very existence and their place in the greater scheme of things.
- The children develop an understanding of the beliefs and values of Christianity and other world religions. The children are respectful of the beliefs and values of others.
- The children develop an understanding of the ethos of a Church school and the content, language and symbolism of the Christian faith as a way of understanding our meaning and purpose in life. • The children develop the ability to question.
- The children develop their ability to express their thoughts, ideas, feelings and their beliefs.

How do we do it?

- We provide and plan for a wide range of opportunities for children to develop spiritually in all areas of the curriculum. In particular through Religious Education, English, Maths, P.S.H.E., Science, Humanities, Art and Music.
- We provide and plan for a wide range of opportunities for children to develop spiritually through Worship including: whole school, community and class worship.
- We also promote spiritual development opportunities through our wider curriculum, for example: Anti-Bullying Week, Themed RE Days and through other extra-curricular activities such as school productions.
- We provide areas for quiet reflection in school and in the outdoor environment.
- We provide opportunities for prayer, including silence and stillness.
- When planning for spiritual development we focus on 3 areas: Windows, Mirrors and Doors.

A) WINDOWS: Experience - The Learning about life. We give children to opportunities to become aware of the world in new ways, to wonder about life's 'Wows' (things that are amazing) and 'Ows' (things that bring us up short).

B) MIRRORS: Reflection - The learning from life. We provide children with time for REFLECTION. We give children opportunities to reflect on their experiences, to look inward & consider the big questions of life. In this they are learning from life by exploring their own insights and perspectives and those of others. Give emotional, physical and auditory space.

C) DOORS: Growth - The learning to live by putting into action what they believe. We give children opportunities to respond to all of this; to do something creative as a means of expressing, applying and further developing their thoughts and convictions. In this they are learning to live by putting into action what they are coming to believe and value.
