## Parent Voice

Don't forget, Parent Voice is on Tuesday 23rd January. Emma from MindMate will be there to talk to you about MindMate and what the service offers.

## School Crossing

Unfortunately, we have had to relocate the crossing patrol back to its original site due to cars being parked outside school, on the yellow zig zags and pavements. Therefore it is extremely unsafe. Unless cars are parked further away from the front of school, we won't be able to move the crossing here. Please ensure you park responsibly and try to walk to school if you can.

## PC Rothery visit to Y5/6

Our local PCSOs support us in delivering prevention programmes and PC Rothery visited us this week to talk to Years 5 and 6 about the dangers of vapes and vaping.

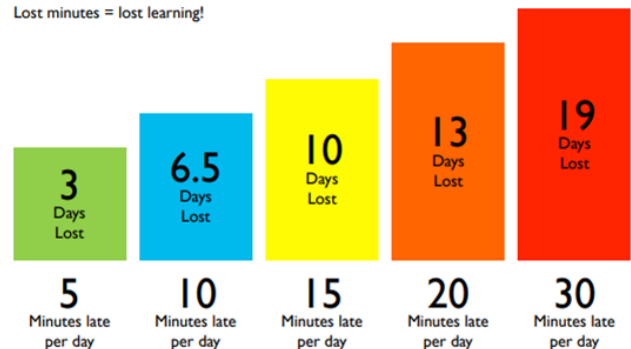

## Attendance

You may have seen in the news that the government has an attendance campaign running called, "Moments Matter, Attendance Counts."

The small moments really do make a real difference to your child. If children come to school late, it means they miss vital learning and can be anxious about catching up. We share our attendance with the Department for Education on a daily basis and can see how we compare nationally. Our overall attendance for the year so far is 89.3% compared with 94.4% nationally. Please make sure that children come to school everyday and on time!

Lost minutes = lost learning!

Every school day counts BUT every minute is equally important
