School Improvement Visit

Every half term we have a visit from our School Improvement Advisor, Alison Smith. Last half term the focus was on Art and DT. Part of the report states,

“Pupils showed a secure knowledge of many aspects of Art/DT that they have been taught. They confidently shared knowledge of different techniques and knowledge they had learnt aligned to the curriculum in place and how they had used this learning in creating, designing and making finished products.”

This is fantastic feedback from Mrs Smith and how super that our children are confident enough to share what they have learnt in Art!
