# Number Day 2025

Thank You for Supporting Number Day!

A huge thank you for your generous donations and enthusiasm in supporting Number Day for the NSPCC! Your contributions will help make a real difference, and we truly appreciate your kindness.

The children had a fantastic time taking part in fun, number-filled activities, and it was wonderful to see so many creative outfits celebrating the magic of maths. Their excitement and engagement made the day extra special!

Thank you again for your support—we couldn't have done it without you!

# Great Fire of London

Hawks class have had a brilliant day learning all about The Great Fire of London. The morning session focused on history and art as children learnt about seventeenth-century London and made a street of Tudor-style buildings.

In the afternoon we headed to the field to set fire to the cardboard and buildings and see how it spread. It was such a fantastic experiential learning that we won't forget!
