Years 5/6 Visit to Leeds Art Gallery

This, our Years 5 and 6 pupils embarked on an inspiring visit to Leeds Art Gallery, where they had the wonderful opportunity to share their learning with children from Bramhope Primary School. This visit was a fantastic chance for our students to engage in artistic exploration, collaboration, and creative expression.

The highlight of the day was a special portrait workshop led by Amanda, one of the talented gallery educators. The workshop was inspired by the incredible work of Curtis Holder, a renowned portrait artist known for his expressive and layered pencil drawings. Guided by Amanda's expert instruction, they experimented with different approaches to portraiture, developing their own artistic skills and confidence.

Beyond the workshop, our students took the opportunity to connect with other children from within our Trust. It was wonderful to see children from both schools engaging in meaningful conversations about art and creativity, demonstrating collaboration, respect, and enthusiasm.

The visit to Leeds Art Gallery was a truly enriching experience, allowing our pupils to deepen their appreciation of art while also developing important skills in observation and expression. A huge thank you to Amanda and the team at Leeds Art Gallery for such an inspiring session, and to Bramhope Primary for joining us on this creative journey!

We look forward to seeing how our pupils continue to apply their new skills in their own artistic projects back at school!
