Introducing the Micklefield School Collective

We're excited to share that a new community group is taking shape, the Micklefield School Collective! This friendly, parent and carer led team is all about raising funds and strengthening our school community in fun, inclusive ways. Every penny raised goes straight back into enriching school life, creating more exciting, creative, and inspiring experiences for our children.

How to Get Involved

There's a role for everyone, whether that's baking, designing, setting up stalls, or simply spreading the word. Even a single hour of help makes a huge difference! We believe in micro-volunteering — joining in for an hour, a task, or an event when you can.

Look out for our posters around school, and if you'd like to find out more or join in, we'd love to hear from you at micklefieldsc@outlook.com or speak to the school office.

Together, we can build something special for Micklefield Primary.

Illness

We have seen a huge increase in illness this week. We have increased our cleaning this week and spoken to children about good hygiene. eg catch it, bin it, washing hands and sanitising hands.

We are sending all our best wishes to anyone who has been poorly this week.
