

COLLABORATIVE LEARNING TRUST

Working Together to Secure Success

LETTINGS & LETTINGS CHARGES POLICY 2022 Micklefield C oF E Primary

To be reviewed in March 2023

Policy Objectives

The Collaborative Learning Trust is committed to ensuring the efficient use of their schools' premises and making them available for use by the local community. In doing so it recognises the following principles:

- (i) that school premises represent a significant capital investment and should be utilised as a valuable community resource;
- (ii) educational usage of our premises constitute a natural priority;
- (iii) that a profit margin is desirable when derived from commercial usage but this is not the overriding objective when facilitating education activity and community activity by recommended users.

The trustees have the following additional policy objectives:

- (i) that expenditure resulting from the use of school premises by external organisations does not fall on the delegated budget
- (ii) that schools will seek to maximise income from lettings wherever possible
- (iii) that schools will accommodate recommended lettings wherever it is economically viable to do so
- (iv) that schools reserves the right to use their discretion to cancel/refuse lettings in such instances where they would not be economically viable or in keeping with the general ethos of the school.

Delegated Authority

The Collaborative Learning Trust Trustees have delegated the authority to receive applications for lettings of a routine nature to the Admin Manager: Community Engagement and School Marketing, who will consult with the Headteachers, the Estates Manager and the CLT Director of Finance and Business to accept/decline applications for hire of the premises at Collaborative Learning Trust Schools.

This includes the authority to determine recommended status of any organisations in addition to those already identified in Appendix A.

Priority Usage

The trustees have agreed the following categories of priority user:

- (i) Statutory Users
- (ii) Group A Local Community, not for profit (local under 18s groups);
- (iii) Group B Community Groups, not for profit (over 18s);
- (iv) Group C Commercial

Scale of Charges

In arriving at their scale of charges the Local Governing Committees have adhered to the following principles :

- (i) that statutory users will be charged an amount commensurate with statutory regulations;
- (ii) that Group A and B users will be charged no more than is reasonable to cover the costs to the school, including a margin for wear and tear;
- (ii) consideration has been given to subsidies being applied to some Group A and B users
- (iii) that commercial users should be charged at least cost, plus an income margin for the school if desired;
- (iv) that there will be parity of treatment for similar users;

For the purposes of charging, the Headteachers, the Estates Manager and the Director of Finance and Business are empowered to determine to which charging group any individual or organisation belongs. The

basis of charging will be determined by the type of organisation hiring the premises, the purpose for which the letting is arranged and the period of time when the letting taken place – as detailed in Appendix A.

The Local Governing Committees have delegated to the Headteacher the right to work with the Estates Manager and Admin Manager: Community Engagement to negotiate with individual groups depending upon the specific circumstances of a letting.

Value added tax will be applied to all transactions where this is appropriate.

Remissions

The Local Governing Committees reserve the right to use their discretion to remit or waive any charges, or part thereof, on the basis of a proposed hirer's circumstances as they see fit. They have delegated this discretion to the relevant Headteacher and Director of Finance and Business using the following principles:

- (i) that there will be a parity of treatment for similar users
- (ii) that any decision to waive a charge will be subject to periodic review, at least on an annual basis
- (iii) that all decisions will be reported annually to the relevant Local Governing Body
- (iv) that in the event of appeal or dispute the relevant Local Governing Body retains the final power to decide on a waiver.

Conditions of Hire

- All prospective hirers are required to complete a booking form and to comply with the Conditions of Hire in Appendix D.
- All hiring of the schools' premises, including those for which no charge is made, shall be properly documented. All hirers must complete a letting agreement before hire of the premises commences.
- All hirers having completed a letting agreement will receive a copy of the conditions of hire and will hold a legal hire agreement. The hire agreement is a contract which the governors may enforce at law.

Administration of Lettings

The Local Governing Committees recognise that it would be impossible for them to personally vet every applicant or organisation who wish to make use of the school premises. Accordingly they have delegated the authority to receive applications for lettings of a routine nature to the Admin Manager: Community Engagement and School Marketing, who will consult with the Headteachers, the Estates Manager and the Director of Finance and Business to accept /decline applications for hire of the premises.

Term time and holiday letting periods are defined by the published term dates of the school.

Security / Safeguarding and the Prevent Duty

The Trustees are mindful of their responsibility to protect the schools' assets and safeguard young persons and vulnerable adults using school premises. With regard to security of assets, governors would normally insist upon continuous caretaking presence in view of leaving the school vulnerable to theft or damage. However, they reserve the right and delegate power to the relevant Headteacher and Estates Manager to make variations where in his/her judgement continuous caretaking presence is not justified. With regard to safeguarding, Trustees agree to procedures included in the conditions of hire document.

Any organisation submitting a lettings request involving working with children and/or young people must submit to the Trust a signed copy of their current Child Protection Policy.

All hirers must state the purpose of the hire. Each application will be vetted and any concerns will be reported to the relevant Headteacher or Estates Manager prior to approval.

When determining whether to approve an application, the relevant Headteacher or Estates Manager will consider the following factors:

- The type of activity
- Possible interference with school activities
- The availability of facilities
- The availability of staff
- Health and safety considerations
- The school's duties with regard to the prevention of terrorism and radicalisation
- Whether the letting is deemed compatible with the ethos of the school.

An application will not be approved if it:

- Is aimed at promoting extremist views.
- Involves the dissemination of inappropriate materials.
- Contravenes the statutory Prevent duty.
- Is likely to cause offence to public taste and decency (except where this is, in the opinion of the Headteacher, balanced or outweighed by freedom of expression or artistic merit).

The Estates Manager will file an incident report form if they have reason to believe that the letting has been used for political purposes not previously authorised, the dissemination of inappropriate material or any other purpose that contravenes the Prevent duty.

Where an individual or group is found to be promoting views in contravention of the school's Prevent duty, the school will contact the police, who will remove the person or group from school premises.

Adoption and Review of Policy

Approved by trustees on 9th May 2022.

The Local Governing Committees for each school will review and agree the scale of hire charges for the forthcoming financial year in March each year.

Appendix D

Full Conditions of Hire

All users of Collaborative Learning Trust premises MUST read this appendix before completing a Lettings Application to ensure they are aware of the conditions which apply. Failure to adhere to these conditions may result in the cancellation of your letting.

The premises the Schools occupy and the facilities within represent a major resource not just to the School but also to the wider community. This is recognised through the School's Lettings and Lettings Charges Policy. This Policy divides lettings into three categories (Appendix 1):

- Group A Local Community (local under 18s groups);
- Group B Community Groups, not for profit (over 18s);
- Group C Commercial

What is a Letting?

A letting is a short-term arrangement (within one academic year) giving an individual, group or organisation a contract to use School facilities. A letting must be in place before any use of School facilities. If it is not or if a group undertakes activities outside the agreement of the Letting, this may invalidate any insurance that is in place.

Applying for a Letting

1. All applications to hire Collaborative Learning Trust facilities must be through the Collaborative Learning Trust's Lettings platform which can be found on the schools' websites.
2. All applications must be fully completed and submitted with copies of relevant supporting information, including insurance, child protection and health and safety policies and DBSs, if appropriate.
3. You must specify exactly which dates, times and facilities you need as otherwise additional charges may be levied.
4. Term time and holiday lettings are defined by the published term dates of the school.
5. Lettings are subject to satisfactory risk assessment review by the Estates Manager.
6. You must apply at least 7 days in advance of when you require the letting, except in exceptional circumstances.
7. Lettings are not confirmed until you have received an email or paperwork from the Admin Manager: Community Engagement.
8. It is your responsibility to check the paperwork received thoroughly and to contact the Admin Manager: Community Engagement, if there are any issues.
9. When your application for a letting is received at the School, it will be entered on to our database and the necessary checks will be undertaken. You must ensure that you include with your letting application form proof of an up-to-date DBS for each person in your organisation who may take responsibility for a letting for children under the age of 18. The school will not permit anyone to take responsibility for a letting involving young people under the age of 18 without a current DBS.

10. Educational use of facilities overrides your letting so you should be aware that there may be occasions when your letting is cancelled due to School events such as Open Evenings and examinations. The School will try to provide you with at least two weeks notice of such events. Your letting will also be cancelled when events outside the School's control, such as adverse weather, affect the use of facilities.
11. You must not use the facilities outside the agreed times and you must leave the premises at the agreed time. If you need clearing up time, please make sure this is included in the time you request. You are expected to leave the space you have hired in the state you found it.

Annual Review

1. The Collaborative Learning Trust Trustees will review Guidelines, Terms and Conditions of Use on an annual basis.
2. The Local Governing Committees will review the schedule of charges for each school on an annual basis.
3. Organisations will be notified at renewals time each year of any alterations, including charges.
4. Changes will come into effect on 1st September each year apart from when exceptional circumstances, such as large fluctuations in the cost of utilities, mean an in-year adjustment is appropriate.
5. If you have a regular letting of two terms or more, we will write to you each year to offer you the chance renew your letting for the following academic year, subject to you meeting the Conditions of Hire. You must renew existing lettings before the closing date. If you do not and we have other applications in for the times and dates of the letting, we may allocate that time to a new letting.
6. You must not assume that your letting has been renewed until you have received a signed agreement from the Admin Manager: Community Engagement.
7. As long as you return the completed paperwork on time, where possible, we will give priority to existing long term lettings of at least 4 half terms in length.
8. If you wish to renew a letting and add additional space or times you should complete one application for the existing space or times and a second for any new requirements you may have.

Finance

1. Invoice calculations will be based on the information in the Lettings Agreement and any subsequent amendments.
2. If you have any queries about your invoice you should email finance@collaborativelearningtrust.co.uk putting the words Lettings Invoice in the subject box.
3. Please be aware that once you have signed the Lettings Agreement you are accepting the charges stated and agreeing to be responsible for the payment.
4. The adult whose name is listed first on the Application Form is liable for any charges associated with it.
5. Please understand that payments outstanding may result in your letting being cancelled. The payment terms are 14 days.

6. If you fail to turn up for a letting, you will be charged for the letting.
7. If you need to cancel or amend a letting you should email mnp@princehenrys.co.uk at least 7 days in advance.
8. The Collaborative Learning Trust cannot be held liable for any loss of expenses or earnings arising from the cancellation of a letting.

Should you be unsure whether or not you are liable for VAT please email finance@collaborativelearningtrust.co.uk and put the words Lettings VAT query in the subject box.

Insurance

1. Your organisation must have third party public liability insurance cover with an indemnity limit of no less than £5 million. A copy of a valid insurance policy must be submitted with any application to hire School premises. This will form part of your hire agreement. Employer's liability, professional indemnity or personal accident/injury insurance held by individual players or instructors is not sufficient.
2. Most organisations will be linked or affiliated to a governing body or association and would be expected to take out their insurance through this body.
3. The Collaborative Learning Trust will not accept responsibility or pay for any goods which are brought on to or left on the premises which are damaged, stolen or lost.
4. If during or following the hiring of the premises a claim is made against the Collaborative Learning Trust for loss, damage, injury, action or costs then you must reimburse the School for all costs connected with that claim. A claim may arise from action that you (or anyone acting with express or implied permission) take or fail to take. For example, someone may be injured by a piece of equipment you have brought in. In entering this agreement, you agree to indemnify the School against any claims. As the costs of the claims could be very high, you must have adequate insurance cover.

General Health and Safety

1. All groups must have a health and safety policy or plan in place and a copy should be emailed to mnp@princehenrys.co.uk when you have submitted the Lettings Application to us. First aid and emergency procedures, evacuation procedures and risk assessment are particularly important. If you do not have a policy in place and would like some advice please arrange to speak with our Estates Manager. It is not sufficient to rely on the Schools' own Health and Safety policies.
2. Please note the School is not required to have first-aid trained staff on site during your letting. You are expected to have a First Aider on site for your letting. The School is not responsible for those persons participating in the activity taking place during the letting. That responsibility belongs solely to the hirer/organisation. You should hold your own emergency equipment and records as the School's will not be made available to you.
3. If hiring the swimming pool at Prince Henry's Grammar School, please note that Prince Henry's Grammar School will not provide lifeguards and you must ensure you are adequately covered for insurance and health and safety purposes. Organisations or individuals hiring the swimming pool

7. You **MUST NOT** park in a way which causes nuisance to the Schools' neighbours. Individual schools will manage parking with their applicants. Failure to adhere to this condition may result in the cancellation of your letting.
8. **You must ensure that children are not left unsupervised at any times.**
9. You must ensure that members of your group do not access areas that have not been booked by your group or access areas outside the period of your letting.
10. If your group involves children, you must ensure that they are not dropped off without another adult being present. **Children must not be left alone on site.** It is your responsibility to liaise with parents and carers to ensure they understand they should not arrive early and leave their children to wander around the site.
11. The School is not responsible for children arriving at a letting that has been cancelled or where the responsible adult does not arrive on time.
12. The named hirer is personally responsible for ensuring that all children/members of their group comply with the conditions of this agreement.

It is the responsibility of the Lettee to ensure that their attendees

adhere to these protocols and the national guidance in place at that time for their activity. The Collaborative Learning Trust reserves the right to terminate or suspend the letting agreement with immediate effect if the lettee does not meet this responsibility.

7. When determining whether to approve an application, the Headteacher or Estates Manager will consider the following factors:

It will have to be made good immediately or paid for to the School's satisfaction.
