All Saints' Primary School visit

We had a great day on Tuesday when 15 children from All Saints', which is one of our Trust schools, visited our school. We had planned on a walk in the woods then a visit to church, but it rained so much that it was just a visit to church! Friendships were quickly made and we are visiting All Saints' in January!

Christingle and The Children's Society

At this time of year we also collect money for The Children's society. We ask if you have any spare 1ps and 2ps to bring them into school and children will fill a class "candle" with the money and then we send the total amount to The Children's Society.

Owl visit to Hawks

Steve from The Yorkshire Owl Experience visited Hawks today as part of their learning around, The Owl Who was Afraid of The Dark. What an amazing experience as every child in the class had the opportunity to hold and stroke a variety of owls! We have planned our curriculum carefully to ensure that children are exposed to quality experiences that support their learning and this is an excellent example of this!

Eagles visit to Temple Newsam

As part of their learning about The Tudors, eagles visited Temple Newsam House this week. A great day of learning and discovery was had by all. Children journeyed through 500 years of history learning about Tudor times and making discoveries about Tudor life from the evidence available.
