Christmas parties are for all children in school and there will be lots of festive fun. They can dress down or come to school in their party clothes – whichever they choose, but they will still need a warm coat and sensible footwear for playtimes, please. We would be grateful if parents can send in some party food so that this can be shared with all children. Letters have already been sent asking for specific items.

Christmas Dinner Day is on Thursday 21st December The hall will be decorated, Christmas music playing and eco-friendly crackers waiting to be pulled!

Santa is swapping the North Pole for Micklefield on Thursday 21st and we have heard that his elves have been busy making a small present for every child to take home with them.

Festive Film night - There will be refreshments served with these being included in your ticket price. We hope the film night frees you up to tick off some of the long list of jobs we all have at this time of year.

Dress down day is on Thursday 21st and children can come to school in something festive, their Christmas jumper or just dress in everyday clothes for a £1 donation.

Each class is also holding a raffle for 50p a ticket and there is also a guess the name of the very large elf and very large carrot! This is also 50p a go.

We hope to make December a magical and memorable time for all.

Yours faithfully,

Emma Cook
Head Teacher
